Education

Software Developer, Roc van Amsterdam | Flevoland, Almere

August 2019 — June 2023

Technology, OSG De Meergronden , Almere

August 2013 — July 2017

Internships

Software Developer at Raion Design, Almere

August 2021 — January 2023

At Raion Design, I had the opportunity to work in an environment where I had no prior experience. Here, I contributed to the development of several websites, ranging from personal websites to sites for foundations.

Employment History

All-round Employee at Cafetaria De Poort, Almere

October 2024 — Present

At Cafeteria De Poort, I fulfill a versatile role as an all-round employee, where my tasks include welcoming guests, taking orders, handling transactions, and delivering orders.

Logistics and Production Employee at Poultry Trade Partners N.V., Harderwijk

February 2024 — July 2024

In this role, I was responsible for loading and unloading trucks, processing transport documents, and gained experience in production processes within the poultry industry.

All-round Employee at Big Bread Kitchen, Almere

August 2022 — February 2024

At Big Bread Kitchen, I fulfill a versatile role as an all-round employee, where my tasks include welcoming guests, taking orders, handling transactions, and delivering orders.

Shopper at Picnic Technologies , Diemen

April 2021 — April 2022

At Picnic, I gathered groceries and ensured everything was in top condition while logically organizing the items. During my work, I also checked product quality and restocked shelves in the warehouse.

Service Employee at Onderweg, Almere

May 2016 — September 2019

At Wereldrestaurant Onderweg, I worked in service for three years. During my time at Onderweg, I learned to communicate with various people, significantly improving my communication skills. I gained experience by taking orders, collecting glasses and plates, and providing excellent service.
